PROJECTS

ECOMMERCE WEBSITE

- As part of a group project, I contributed to the design and development of a fully functional e-commerce website, showcasing my skills in web design, front-end development, UX design.
- The website featured a user-friendly interface, secure payment gateway, and personalized user accounts, resulting in a seamless online shopping experience.

FRONTEND BASE ECOMMERCE WEBSITE

During my college studies, I made this front-end website to improve my development skills.
